

Dear Local Business Owner,

Memphis Barbecue Network is coming to Smithfield on November 5th & November 6th of 2010. This is wonderful opportunity for Isle of Wight County as MBN is known all over the United States. The contest is open to locals with the Backyard Competition who wish to enter but we anticipate entrants from cooking teams. To date, we have reservations from as far away as New Hampshire, Georgia and of course Memphis!

We are also hosting a MBN Judges school. The only other school scheduled is in Arkansas, again a great opportunity to Isle of Wight County businesses & residents. The school will be held at Trinity Methodist United Church on Friday the 5th from 8:00 am until 3:00 pm and advanced registration is required. Cost of the school is \$70.00 per student with limited space.

Please take a moment to review our sponsor levels. We have tried to make the levels so there would be something for everyone.

Thanks for your consideration to support this.
